

Here is My's voice

Hi ! My Name's Natchanon Saileamonpiwat My Nickname Pungpond Studying at Bangkok University , Student ID : 1670700044 , My Phone Number : 0944388974

My History :I was born on June 10, 2005 in Ratchaburi . I am about 175 cm tall and weigh only 42 kg. What I like: I spend most of my time alone and study about investment and education. I like to go out sometimes depending on the situation. I like to eat mangosteen and Honey Milk , but I don't like pubs, bars or loud concerts.

My Hobbies and Interests : Hobbies I like to read books about finance and I always like to write my ideas about the future. Sometimes my hobbies are sleeping, listening to music or looking at girls on Instagram.

My Interests : I am interested in managing investment plans in stocks and I am interested in programming to create future businesses and I am very interested in the universe.

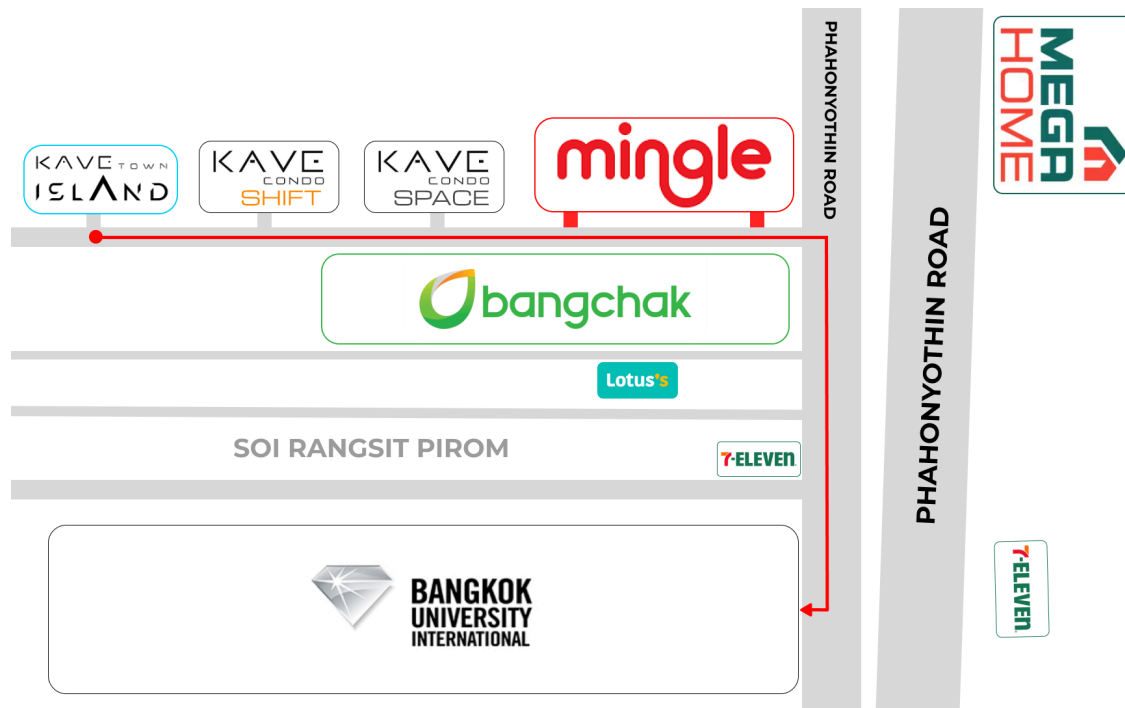

My educational goal is to graduate with honors and work with KKP Dimi as a Full Stack Developer or other companies.

My career I want to be is a Full Stack Developer , Investor.

My special abilities: I can learn quickly what I like, especially investment. I can read charts and make money from it. I also have a creative think of continuous business ideas.

I like the book The Psychology of Money And Atomic Habits and The three Happiness . I Favorite movies: Lupin the Third , My Favorite songs (One Direction) - Night Changes and somewhere only we know - (rhianne)

What to tell your classmates or teachers : Friends, I have started investing for the future. It is something that can change everyone's life. I hope everyone will be interested in investing for a better future.

Now I live on Kave Island. I will go to Bangkok University .

Start : Walk right straight on Kave Street When see Mingle Mall across from bangchak and turn right and then walk on Phahonyothin Road and then walk straight when see seven-eleven and next to Bangkok University and walk to front Bangkok University and turn right going in Bangkok University
