

Doctor : Hello,Can I help you Today.  
Moss : Hello Doctor, I feel very tired and have a headache.  
Doctor : Ok, How long have you been feeling?  
Moss : Um. It’s about a week.  
Doctor : Um. I will check your temperature and blood.

Doctor : Your temperature is normal, but your blood pressure is a bit high.  
Do you have a lot of stress lately?  
Moss : Yes, I’m stressed about work.  
Doctor : I recommend that you relax. I’ll prescribe you some headache medicine.  
Please wait here while I prepare the prescription.

Nurse: Hello, I’m here to assist the doctor. How are you feeling today?
